

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement ever since nineteen fifty nine. Whether the job entails transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler will help make the job go easier and faster. These units are available together with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional attachments is obtainable for Lull telehandlers so as to help finish any work.
