

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They enjoy providing products that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff likes new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly dedicated to having both technical support and parts accessible when it is required. Their high service commitment is among the core values in their customer service. Keeping their customers' cleaning equipment running and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work together to make them the leader in the trade.
