

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are known within the business as strong and durable equipment that suits all the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are available in the market under the trade mark name "Encore". American Lincoln can supply warranty service, machines and parts for these types of scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where efficiency and results count. Lately, this floor scrubber model has been utilized by the architects in different construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
